

# GÜSTAF & SMOKY 41

## A MAGICAL MYSTERY WALK ACT OUT OF THIS WORLD!

Güstaf and Smoky 41, his illuminated, billowing contraption, come from a strange world that feels oddly familiar. The audience are captivated as Güstaf and Smoky light up and begin their magical show. As he interacts with the crowd, Güstaf conjures up moments that defy space and time – sometimes funny, sometimes touching, or simply beautiful.

**A maximum of four 40-minute sets per day can be arranged for your event.**

For the walk act, a centrally located, ground-level, secure changing space with a power supply and an entrance at least 90 cm wide is required at the event, along with parking in close vicinity to the venue.
